Steve's Marine "Marine Minute"

A good season on the water starts at Steve's Marine Service.
Seven-Step launch check list.

1. Remove your transom trailer tie downs
2. Install transom plug
3. Have your bumpers (fenders) and dock lines on and ready to go
4. Make sure you have the proper amount of life jackets, a throw cushion, fire extinguisher, and horn
5. Turn on the blower for at least four (4) minutes
6. Start your boat and while it is warming up, check your gauges, bilge pump, and lights
7. It is very important to warm your boat up before leaving the dock.

By using this checklist every time you launch, you'll be ready for your boating adventure feeling safe and secure.

Today's Marine Minute was brought to you by Steve's Marine Service where we will help you in many ways enjoy your boating experience from service to safety.
